TE HÃ O MĂTAURANGA Learning in Kaikōura THEORY OF CHANGE

To achieve the vision of our community having the skills and choices to live the life they want...

In the short-term, we need to		We will do this by		So that in the medium term		Which will lead to		So that in the long term	
Support our community to understand	Help our community understand how and where they learn best.	Using the Hub	Offering plenty of community learning opportunities.	Families are empowered to lead their own learning opportunities	Education is brought into the home.	Our community having hope	Services working from a strengths base and seeing opportunities	Our youth are optimistic and confident	Kaikoura is a learning community that values education
what motivates and excites them.	Mobilise and	as a meeting place	Ensuring our work is		Youth are inspired, motivated and	and plenty of opportunities	Services and businesses who see success and want to be		We create a community that changes lives through providing opportunities
Engage our youth in learning.	motivate our community.	Brokering opportunities through the Hub	community-le d and from the ground up	Businesses nurture and mentor	share examples of success	Local people working in local jobs		Our whānau are enabled,	
			Sharing stories of our successes with local business, services and community		Youth potential is seen, celebrated and nurtured		Success in learning reinforcing ownership, capabilities & determination	empowered and confident
